JANAYA GREENE

SCREENWRITER

ABOUT ME:

Janaya Greene is a south side Chicago native who wrote award-winning short film *Veracity* (2015) and is a 2020 Hillman Grad Mentorship Lab finalist. Her stories delve into the complexities of queer Black womanhood, with a focus on queer romantic and platonic relationships. Janaya loves Black literature, music and is passionate about the connections between Black folks in the African diaspora. She is a storyteller with passions for uplifting queer Black stories, community building and mild sauce. House music is her love language.
